The Phase II building of MAIDS has been started with new research facilities and competitive quality equipments. New facilities of Tissue bank and TMJ clinic which are both one of its kind in India has been instituted. The introduction of new comic characters "BABLOO & RANI" and series for IEC for school children by Department of Public Health Dentistry was done for the benefit of school children. ASHAKIRAN HOME for mentally disabled is one of the largest in Asia and interdisciplinary efforts are going on to improve the oral health of inmates by providing preventive and curative services. Training of care takers and nurses has been initiated as part of oral health promotion. The institute played a major role in oral health and oral cancer screening in NCD, screening & awareness camps at Pragaiti Maidan from 14th -27th November 2015 at 35th India International Trade fair. First ever dental check up and treatment camp was organised by MAIDS in the Supreme Court, Delhi with the gracious presence of Honorable Chief Justice of India, Mr. S.K Dattu on Saturdays on 10th, 17th and 31st January, 2015. A total of 402 employees of Supreme Court were screened and 11% of them were treated for some or the other ailments.
