Anti-Ragging measures (2020-2021 Batch)

Maulana Azad Institute of Dental Sciences, New Delhi

Background:

College life is very important in every body's life because it not only determines the future of a person but also is a time when most students understand the realities of life. But it has been observed that students do not enjoy their campus life till the end of freshman year. However mindset of few students for introduction of fresh students is ragging. Ragging is disorderly conduct, whether by words spoken or written, or by an act which has the effect of teasing, treating or handling with rudeness any student, indulging in rowdy or undisciplined activities which cause or are likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the psyche of a fresher or a junior student. Hon'ble Supreme Court of India has also highlighted the seriousness of issue. Ragging which starts as fun for one group of students may have a far reaching influences on the other group of students, family and the Institution itself. The consequences may end up in death.

Maulana Azad Institute of Dental Sciences, New Delhi has been center for excellence in dentistry in India by imparting quality education to students coming to the institute. The institute works towards the welfare of students and at make skilled, disciplined, qualified and confident dentists. To achieve this institute has taken measure to the menace of ragging in the campus.

MEASURES TAKEN BY INSTITUTE:

As per the guidelines of the DCI, UGC and Delhi University the Institute has taken measures since its inception. The revisions are made regularly as and when required according to the guidelines. The measures which are taken for the batch 2020-2021 are mentioned below.

Dr. S K Katharia highlighted the importance and gravity of this topic. The lecture also threw some lights on the extended definition of Supreme Court of India. The different forms of ragging with various humorous examples were enumerated in the lecture. The consequences of ragging with examples were very well summated and it got etched in the student's mind. The menace of ragging in hostels was highlighted and the measures to be taken were elaborated with examples of similar nature. In case of such grievances where the students have to approach and what action will be taken on offenders was elucidated.

The glimpses of measures taken up by the institute for Antiragging were showcased in the discourse. The measures were very well appreciated by the authority and Head of Departments. A video of 3 minutes on Antiragging was screened for students to show the ramifications of ragging. Students performed a skit on antiragging and discussed about the issues and perspective of freshers and seniors. The felicitation was done by Dr. Tulika Tripathi and Dr. Sunita Gupta. The oration program was ended by Vote of thanks by Dr. Sunita Gupta, Antiragging squad member, MAIDS, New Delhi.

The program was attended by the Dr. Sangeeta Talwar, faculties, Antiragging Committee Members, students of first, second, third and final year, Interns and MDS students of 1st to 3rd year. The lecture gave more insights to the Antiragging committee for future guidance. The oration was very well taken by the students and agreed on "Ragging is a sick state of mind".

2) *Orientation and lectures to the students and parents*
