MOBILE DENTAL CLINIC PROJECT

Health determines the living efficiency of an individual. Oral health is a vital component of overall health of an individual and essential to general health and quality of life across the life span. But it's often neglected and low on priority. The expected rise in burden of oral diseases poses a massive challenge to the health system in light of increasing unfair and unjust social inequalities in oral health, which have already raised global concerns. Providing comprehensive oral health care to the underserved could prove pivotal in changing the current scenario of huge oral disease burden and large component of dental unmet needs.”

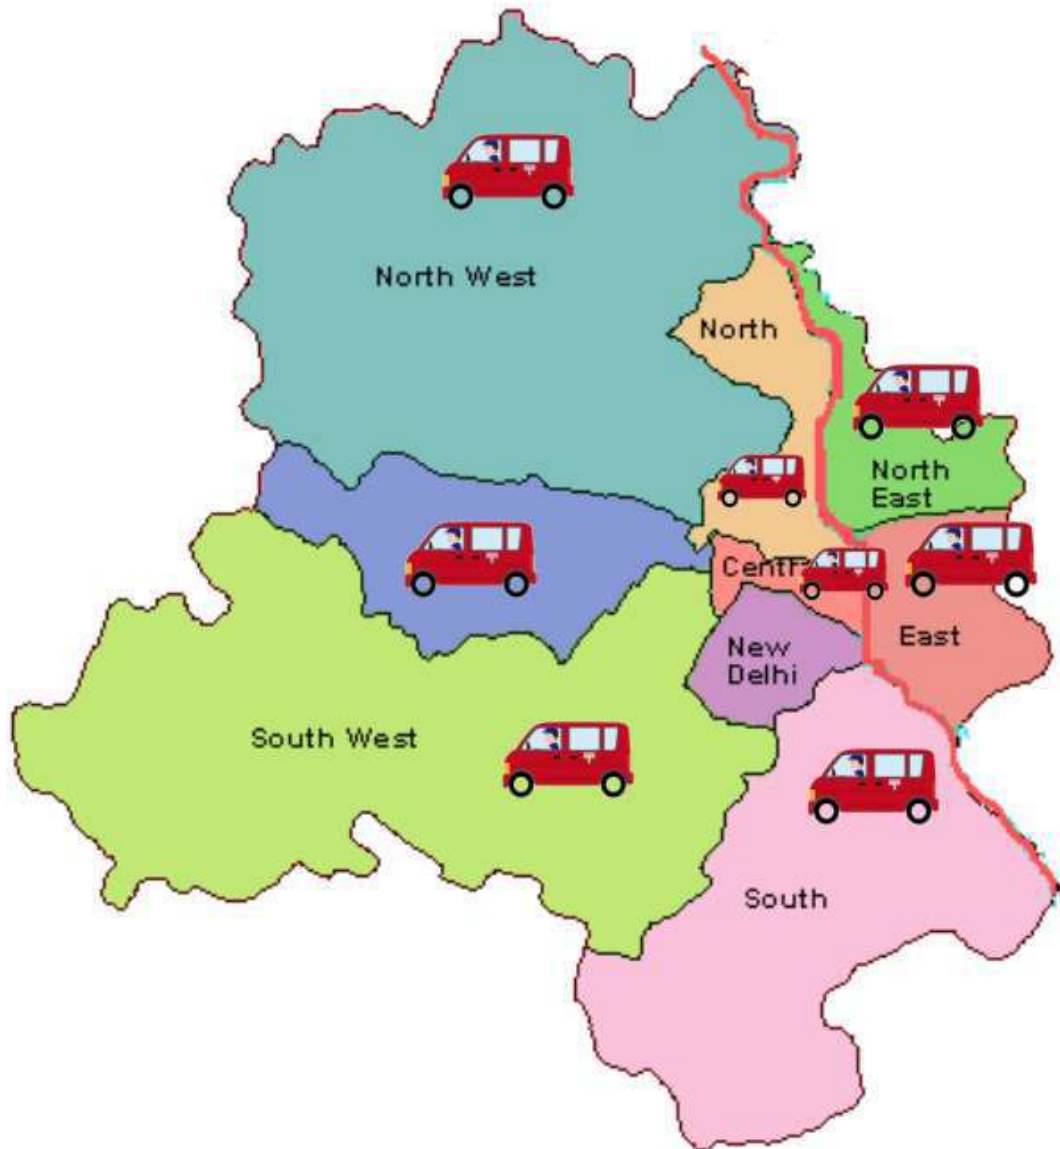

Keeping in view of the above facts; Maulana Azad Institute of Health Sciences under GNCT, Delhi initiated Mobile Dental Clinic Project under the umbrella of NHM/DSHM to provide Primary, Preventive, Promotive and Curative oral/ dental health care to underserved areas of NCT, Delhi on 30th April 2014. It is the “First of its Kind” project in India for Outreach Dental services. The Program provides Dental Screening and treatment services, Dental Health Education and Capacity Building activities along with continuous research and quality assessment. 06 Mobile Dental Clinics cater to underserved population of GNCT of Delhi. The Project aims to achieve the goals of the “Oral Health for All” through improved access to Primary Oral Health Services. Further, the Project attempts to integrate the existing Health Care delivery services with the dental/oral services under one roof. The Project has gradually evolved into various sub-components/ sub-initiatives targeting different special groups. The various sub-initiatives are:

1. Project NEEV: School Oral Health Care Program
2. Project ASHA HUMARI MUSKAAN: Linking Maternal and oral health
3. Project AMMA: Comprehensive Oral health care for elderly
4. Project COPS: Community Oral precancerous lesions screening and Tobacco Cessation Counselling
5. Special Care Dentistry

PROJECT'S OUTREACH

The Project has provided services to 09 (North, West, North-east, East, Shahdara, North-west, Central, South, and South-west) districts of GNCTD

PRIMARY AND SECONDARY LEVEL OF DENTAL CARE

The Six Mobile Dental Vans/Clinics are catering to various areas/districts of Delhi in a scheduled fashion for 05 days in a week (Monday to Friday). For optimum utilization of the Project and patient care; the vans are stationed at /near the Delhi Govt. Dispensaries to ensure proper visibility and pharmacy support from the Dispensaries. All Primary, Preventive and Secondary level of dental care are provided free of cost in Mobile Dental Clinics.

The range of treatment services provided includes:

1. Dental Screening
2. Dental restorations/tooth fillings
3. Oral Prophylaxis/teeth cleaning
4. Tooth Extractions
5. Tobacco cessation counselling
6. Oral Precancerous /Potentially malignant lesion screening
7. Preventive Treatment services like pit and fissure sealant applications, fluoride varnishes etc.
8. Medication(in liaison with dispensaries) & Referral for tertiary care.

Further, all screening and treatment services are provided following COVID-19 infection control protocol.

Currently, services of Mobile Dental Clinics are being provided to the following Delhi Government Dispensaries, schools, Jails & other locations on rotational basis:

Cluster	District	Dispensary Location	Distance from MAIDS
Cluster I	EAST	Mayur Vihar Ph-3	13 Km
Cluster II	NORTH-EAST	Brahmpuri	10.5 Km
		Yamunavihar	16 Km
Cluster III	SHAHDARA	Seelampur	7.9 Km
		Kantinagar	11 Km
Cluster IV	JAIL	Tihar Jail	19.3 Km
		Rohini Jail	20.7 Km
		Mandoli Jail	18.2 Km
Cluster V	Schools		
	North Zone V11	SKV Nehru Vihar	12 Km
		SKV Mori Gate	6.5 Km

	North -East	GBSSS Brahmpuri	10.2 Km
		GGSSS Brahmpuri	10.2Km
	Central Zone 27	GGSSS Panama Building	2.3Km
Cluster VI	District North-West)	ASHA KIRAN – HOME FOR MENTALLY CHALLENGED	28 Km

Mobile Clinics are stationed for five days a week in each of the identified locations on rotational basis from 9:30 A.M. to 2 P.M.

- Further, the Vans regularly visit Delhi Govt. Schools as per the schedule for Project NEEV.
- 1ST and 3rd Wednesday of the month, Mobile Dental Clinic visits ASHAKIRAN-Home for Mentally Challenged
- One Mobile Dental van visit Central Prison i.e Tihar Jail, Mandoli Jail and Rohini Jail on a daily basis from Monday to Friday

PROGRAM IMPLEMENTATION

MONTHLY SCHEDULE OF MOBILE DENTAL CLINICS

w.e.f 01/08/2023 to 06/08/23

Date	Van No.	MDC 1	MDC 2	MDC 3	MDC 4	MDC 5	MDC 6
01/08/2023	Doctors & Staff Alloted	Dr. Neha Singh Dr. Annudeep, Mr. Deepak Bali., Mr. Ramlal	Dr. Manoj , Mr. Arun Singh Dhama, Mr Devender, Mr. Govind,	Dr. Neha Gangil,Mr. Vikas Kumar, Mr. Ramkumar, Ms.Jyoti Panchal	Dr. Shipra Arora,Dr. Nishtha, Mr. Vikas Bharti, Mr. Mnaoj	Dr. Nishtha , Mr. Rakesh , Mr. Ramesh	Dr. Deepak, Mr.Kuldeep, Mr. Deepak

X. Total Distance travelled

Month	Total Distance Travelled
August2023	3120 KM.

. Total no. of days visited in school/ dispensaries by Mobile dental Vans

2. PROJECT NEEV: SCHOOL ORAL HEALTH PROGRAM

Oral diseases are the most common disease that affects people throughout their life time. The Global Burden of Disease Study 2017 estimated that oral disease affects at least 3.58 billion people worldwide. Oral health is

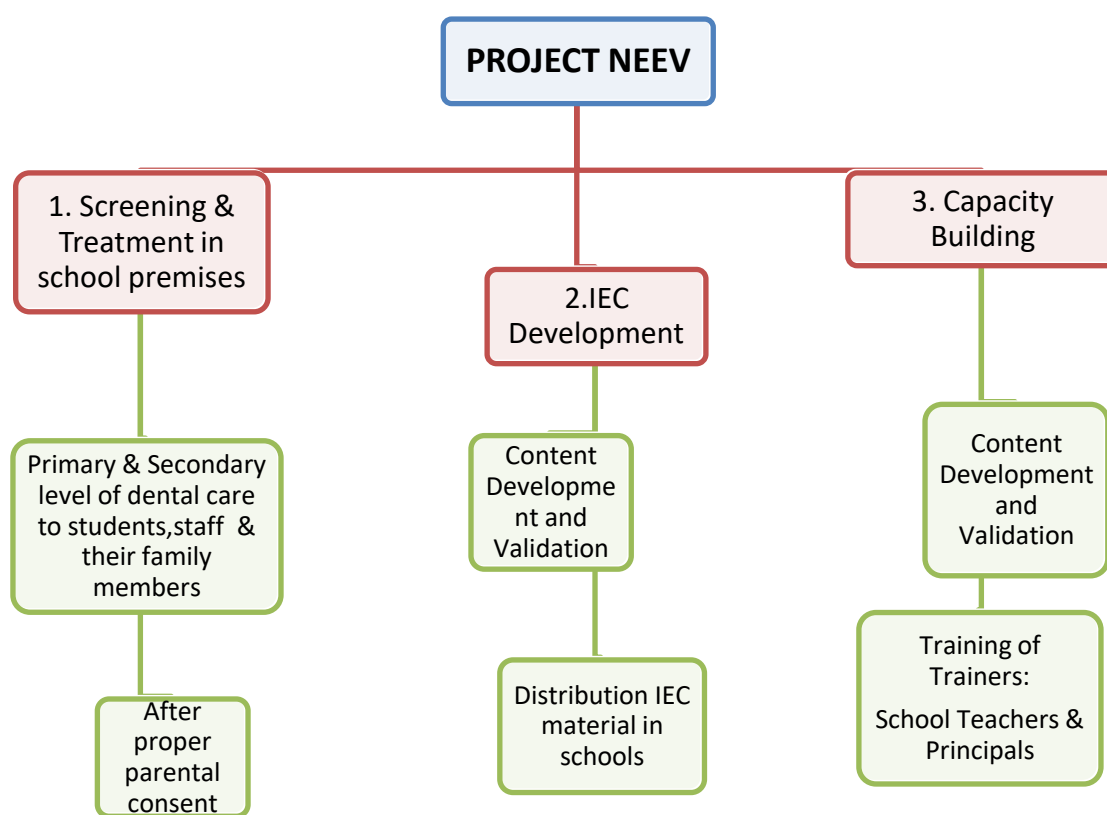

fundamental to general health and well-being. A healthy mouth enables an individual to speak, eat and socialize without experiencing active disease, discomfort or embarrassment. Children who suffer from poor oral health are twelve times more likely to have restricted activity days than those who don't. Schools are microcosms of the larger community. With existing structures and systems in place, schools provide excellent opportunities for integrating oral health into the curriculum that is acceptable, appropriate and effective. Children are receptive to guidance and they are familiar with the learning environment and culture in school. Schools can effectively inform and influence students' oral health knowledge, beliefs, attitudes and behaviour. It is important to target children, particularly at kindergartens and primary schools. Pupils need to acquire knowledge and skills that facilitate a healthy lifestyle and help them cope with social and peer pressure. Children are empowered to take control over their own health early in their lives and are encouraged to develop positive attitudes toward preventive measures

Hence providing incremental oral health care in schools could prove pivotal in changing the current scenario of huge oral disease burden and large component of dental unmet needs.

Keeping in view of the above facts; the Mobile Dental Clinic Project initiated Project “Neev” in collaboration with School Health Scheme, since September 2014. The Program included Dental Health Education and Dental Screening with preventive Dental procedures. One day per week i.e. Wednesday was dedicated to School Oral health program. **It is a comprehensive oral health program for Govt. school children in rural areas encouraging the concept of health Promoting Schools.** Since Feb. 2016, treatment component was also added to provide dental treatment within school premises. It is a comprehensive oral health program for Govt. school children in rural areas encouraging the concept of health Promoting Schools.

3. CUMULATIVE MONTHLY OPD DATA

Month	Total OPD in Dispensary	Total OPD in Schools	Total OPD
AUGUST 2023	1727	1333	3060

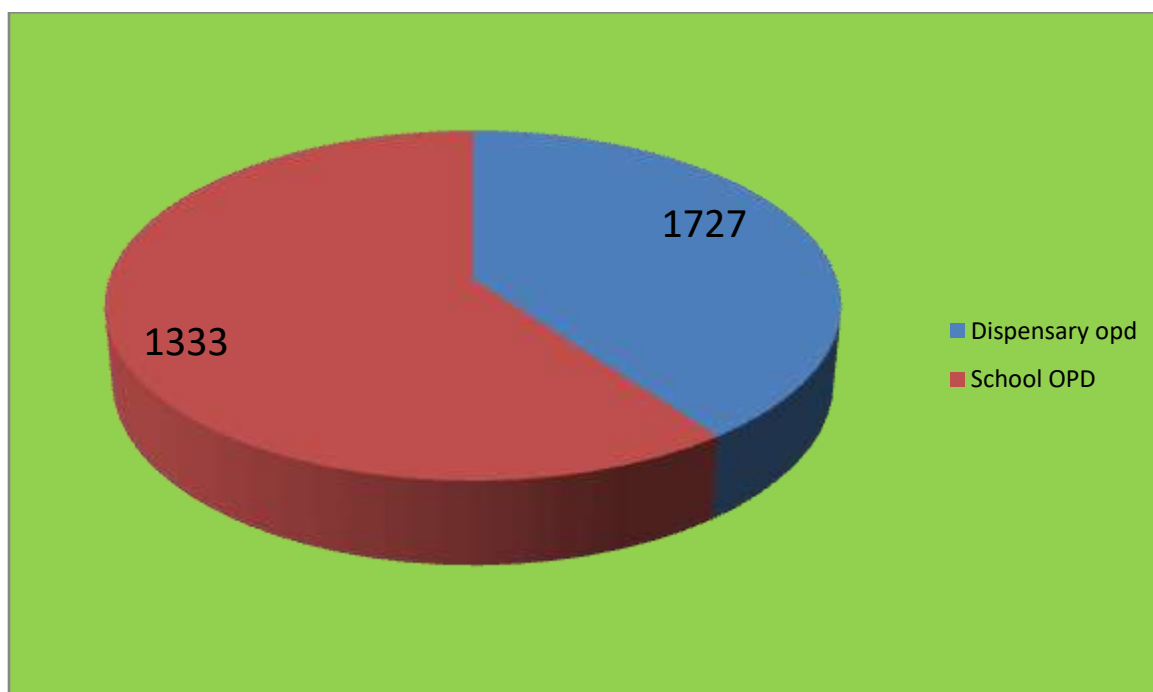

Fig. 9 OPD DETAILS IN August 2023

4. HEALTH PROMOTIONAL & CAPACITY BUILDING ACTIVITIES

1. Training of the Trainers: Teachers Training Program at GGSSS, Panama Building on 25 August by Dr. Swati Jain

Training of the trainers (ToT) for a teacher training program on oral health is a crucial step in ensuring that educators are well-prepared to teach students about oral health and hygiene effectively. This type of training equips teachers with the necessary knowledge and pedagogical skills to deliver oral health

education to students.

The Mobile Dental Clinic Project conducts regular teacher training programs as a part of Capacity Building Activities. In the month of August 2023, Teacher's training was conducted by

Dr. Swati Jain (Consultant, Mobile Dental Clinic Project) wherein teachers were made aware of common dental diseases among children, importance of good oral hygiene

maintenance and brushing demonstration was given to teachers.

Brushing Demonstration was also given by Dr. Shipra Arora (Dental Surgeon, Mobile Dental Clinic Project).

The session was attended by nearly 25 Teachers and was efforts of Mobile Dental Clinic Project were widely appreciated by Principal and Teachers. Before the session, teachers were asked to fill digital questionnaire to assess their knowledge regarding oral health prior to the training session. Post session knowledge assessment was also done using digital questionnaire.

2. Health education sessions in schools

Many oral health problems are preventable and their early onset reversible. A considerable number of children and their parents and teachers have limited knowledge of the cause and prevention of oral diseases. Healthy behavior and life styles developed at a young age are more sustainable. Messages can be reinforced throughout the school years.

Hence, the team of Mobile Dental Clinic project organized “Group oral health educational sessions” for the number of school children screened every Wednesday on following screening.

Importance of Oral Health

a) Tobacco the menace

b) Tobacco Cessation

c) How to maintain Oral Health

d) Brushing Technique Demonstratio

e) Health tips for good oral hygiene

3. Field Visits by Consultant Dr. Swati Jain

To ensure optimum patient care at various outreach areas and to conduct regular process evaluation; Field visits by Consultants are conducted. In August 2023; field visits were conducted by Dr Swati Jain on 17 August at GGGSSS Panama building and on 8 August at Kanti Nagar Polyclinic.

FIELD VISIT AT GGSSS PANAMA BUILDING

Field visit at Polyclinic Kantinagar

Health education sessions were also taken by the Consultant.

Discussions were done with the Medical Officer Incharge, Kanti Nagar Polyclinic, Dr. Ravindra on the ways of improving Mobile Dental Clinic services in Kanti Nagar and Health Education Session was given regarding methods to improve Oral Hygiene and brushing demonstration was given to Patients.
